CURRENT RELEASE

Version 1.1 – June 2021

Important Notes

- The Integriti IDIS ISS CCTV Integration is only compatible with IDIS Solution Suite (ISS) not IDIS NVRs.
- The Integriti IDIS ISS CCTV Integration does not support playing recorded footage for cameras connected to ISS through an NVR but only for cameras connected to ISS directly. To playback a recorded footage from an NVR use the Integriti IDIS NVR CCTV Integration to directly connect to the NVR.

Required Integriti Version License: Integriti Pro/Infiniti v20.0 license

Minimum Installed Integriti Version: Integriti Pro/Infiniti v19 or higher

Licensing Requirements:

Integriti CCTV Integrations require Integriti Business or Integriti Corporate Software Edition.

For Integriti Business, one CCTV License is required per camera to be used in the system. Integriti Business supports 32 Cameras initially, and additional cameras can be added in lots of 8 using the 996921 CCTV - Extra 8 Cameras license. Any unlicensed Cameras will still show up in Integriti; however, they will not be useable.

For Integriti Corporate, unlimited cameras are supported with no additional licenses required.

SDK Version: IDIS G2Client GDK v5.2.1 rev 11

Tested Against: IDIS Solution Suite 3.4.1 IXS3409 64-bit

New Features:

- *Plugin Structure*: The IDIS plugin has been split into two separate plugins i.e. Integriti IDIS NVR CCTV Integration which is compatible with IDIS NVRs only and Integriti IDIS ISS CCTV Integration which is only compatible with ISS.

- *ISS Support*: Added support for IDIS Solution Suite.

PAST RELEASES

5

Version 1.0 – April 2021

Important Notes:

- Integriti IDIS Plugin is only compatible with IDIS NVRs not ISS.
- IDIS NVR has a maximum of 10 client connections (for live video and persisted connection) and 2 client connections for archived video. If Integriti has issues connecting to the NVR with the below error messages, then please try to close some of the connections and try again. If the issue persists then restart the NVR.

G2Search failed to connect to the server. Reason: All server channels are being used
G2Watch failed to connect to the server. Reason: All server channels are being used

Required Integriti Version License: Integriti Pro/Infiniti v20.0 license

Minimum Installed Integriti Version: Integriti Pro/Infiniti v19 or higher

SDK Version: IDIS G2Client GDK v5.2.1 rev 11

Tested Against: IDIS DR-2304P NVR

New Features: Initial Release
