## Case Study Consent Form

Inner Range Pty Ltd (Inner Range, us, our or we) designs and manufactures a range of security solutions to protect people and property. We would like to share the experiences of customers and end users who are using our solutions in our communications to third parties as it helps to demonstrate how our products are protecting our customers and end users' business, assets and stakeholders (your story). By completing this form, you give us permission to contact you to obtain details of your story and to use your story in our communications publicly. You will be given the opportunity to approve before we publish your story. We sincerely thank you for your help in creating more awareness for our products and services.

Full Name:	<input type="text"/>	Location:	<input type="text"/>
Job Title:	<input type="text"/>	Postcode:	<input type="text"/>
Company:	<input type="text"/>	Telephone:	<input type="text"/>
		Email:	<input type="text"/>

Your story will be used for the following communication types and medium; websites, social media, printed publications, online media, national, regional and local papers, magazines and news sites, television and radio.

You can choose to have your and your company's real names published with your story or remain anonymous (in which case, we will use false names). Please tick one of the following options:

I am happy for our real names to be used

I do NOT want our real names to be used

Please tick this box if you or your company do NOT want to be featured in imagery or video footage

Are there any identifying features you do NOT want included in our communications work?

For example, your location, race, disability, gender or other distinguishing feature of you:

Please let us know if there are any ways in which you do NOT wish to be represented or described:

I am happy to give my permission on my behalf and the Company's behalf. I confirm that I am duly authorised to give this permission on the Company's behalf.

I am signing this form to grant permission for my story and any images or video footage I provide or that are taken of me during the interview process with Inner Range employees or contractors to be used by Inner Range for the purposes outlined above.

I acknowledge that all intellectual property created in relation to the images, video footage and documentation involving my input vests in Inner Range upon their creation.

I consent to the use of any personal information I share with you during the interview process to be used by Inner Range for the purposes outlined above. To the extent that I share any information about another person, I confirm that I have given them information about the proposed use by Inner Range and that they have also given their written consent to me and Inner Range to use their personal information. My story will be used for as long as Inner Range considers it relevant to promote its products and services, unless I ask it to stop using it by giving it at least 30 days prior notice in writing.
